ACCOMMODATION SERVICES
FOR BUSINESS

EXCLUSIVE Worldwide is part of the EXCLUSIVE World Group, which has been developing its activities in the business tourism industry for over 15 years.

During this time, we have been gaining valuable experience in servicing business and individual clients and running a network of exclusive apartment hotels. We learned what they expect and how to meet their needs. Following the best industry practices, we have done our best to provide our guests with all the comforts and security of home. As a result, we created standards of service aimed at demanding clients looking for the highest quality in every aspect of their lives.

Many clients, appreciating the quality and professionalism of our services, wanted us to serve them while traveling on business or while seconding their employees to new destinations. That's why, combining the needs of our clients with our many years of experience, the idea to create EXCLUSIVE Worldwide, a company specialising in corporate housing services for business clients, arose.
